

Pigment Ink Prints

This is the finest form of digital printing available today. It provides superb color rendition, 100-plus year print permanence and can be used on a wide choice of papers. Pigment Ink Prints are very versatile and can produce images that are hard with strong contrast, soft and velvety, or can manifest a multitude of other characteristics depending on the paper choice. Some images work best when printed with one kind of paper; some respond beautifully on a variety of papers. We can help you select the best support to fulfill your vision.

KADigital provides three service levels of Pigment Ink Prints:

1. **Commercial Prints:** A great value when your files only need only to be opened and printed. We provide a standard, quality material for commercial prints. There is a 20% discount for duplicate prints when ordered within 30 days of the first printing.
2. **Custom Prints:** This is our personal favorite. With Custom Prints, we have the opportunity to collaborate with you, working to create the best possible image to fulfill your vision. Included in this service are minor corrections, a test print and fine tuning of the file, and a final print on selected fine art papers. As with our commercial print service, there is a 20% discount for duplicate prints when ordered within 30 days of the first printing.
3. **Fine Art Premium Prints:** There are many fine papers available for Pigment Ink Prints, but a few papers are above the rest in quality. We always ensure that you leave with the highest level of archival print. This service includes custom testing as in our custom print service above.

Additional rounds of testing are provided at additional cost.

Premium Breakdown

Description	Upcharge
Extra test prints	+ 20%
Extra large test prints	+ 70%
Retouching	see retouching section
Flat boxing large prints	by quote

Example 1

20x24 Commercial Print: Open-and-print service on high quality RC paper. \$93 for the first print, \$75 each for duplicate.

Example 2

20x24 Custom Print: Includes minor adjustments made during soft proofing, one test print, a review, and final adjustments before printing. Image printed on premium paper. \$125 for the first print, \$80 each for duplicates.

Example 3

20x24 Fine Art Premium Print: Includes a test print on one of our premium papers. An additional round of testing may be requested for \$32. \$160 for the first print, \$160 each for duplicates.
